Message from Mr Carr | **Dates for the diary** | **Our schools' news** | **Stars of the Week**

MESSAGE FROM THE EXECUTIVE HEADTEACHER

Dear Parents and Carers,

We have had a brilliant first week back at school, and it has been wonderful to see the children return with such enthusiasm and energy. This week, children across the Federation have been focusing on consolidating their learning through our Reteach and Extend lessons, giving them the opportunity to revisit important knowledge, strengthen their understanding and extend their thinking even further.

We also have a busy weekend ahead across the Federation. On Saturday, our wonderful SongSquad will be performing at Shirley Methodist Church, and we are really looking forward to hearing them sing. On Sunday, we warmly invite all of our families to join us for the Remembrance Service, where representatives from our schools will be laying wreaths at the cenotaph at 11.00am. It is always a very special opportunity for us to come together as a community to remember and give thanks.

Anti-Bullying Week is also coming up soon. As part of this, we will be sharing resources and information to help families continue these important conversations at home. Please keep an eye on the newsletter and ClassDojo for these over the coming days.

I am also delighted to share that we are currently recruiting a Parent Governor to join our Governing Board. A letter with full details has been sent out via ParentPay and ClassDojo. If this is something that interests you, please do take a look at the information shared — we would be very pleased to hear from parents who would like to play a part in supporting the continued development of our schools.

Thank you, as always, for your continued support.

Mr Mark Carr

ATTENDANCE-OPOLY!

Each week in Celebration Worship we celebrate the class in each school who has had the best attendance over the week.

That class moves around the 'Attendance-opoly' board and can pick up prizes along the way, such as doubling your score, a tasty treat or additional play time!

Every Day Matters

Regular attendance is so important in helping children feel settled, confident and successful at school. Each day builds on the learning from the day before, and even occasional absences can make it harder for children to keep up with new learning and routines.

We completely understand that children will sometimes be unwell and need to stay at home. However, whenever your child is well enough to attend, please help us by making sure they are in school and arrive on time each day. Working together, we can give every child the best possible opportunity to learn, thrive and enjoy being part of our school community.

This weeks attendance was....

Infant and Nursery - Whole School Attendance = 95.8%

Winning Class - Blue Class 99.2%

Junior School - Whole School Attendance = 95.2%

Winning Class - Sapphire Class 99.35%

Well done for your winning attendance!

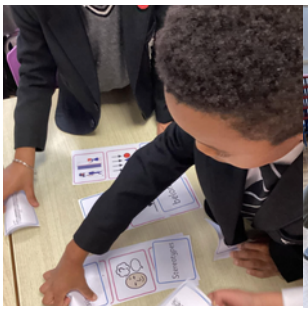

INFANT & NURSERY SCHOOL

Welcome back, we hope you had a restful half term break. This week we have kicked off the half term with reteach and extension week where children have revisited previous learning they may have found challenging or had the opportunity to deepen their understanding further. It has been wonderful to hear children talk about their learning so positively.

I was so impressed with the children's singing in song worship on Tuesday. Led by the year 2 singing committee, we practiced some of our familiar worship songs and actions and talked about all the exciting new Christingle and Christmas songs they will soon need to start learning!

At the infants we hosted another open morning for prospective reception parents who came to look around the school and pop into classes. We had a huge turnout and again received lots of positive praise about our school, the experiences we provide and the behaviour of our children.

Finally we would like to warmly welcome our new nursery teacher, Miss Hibbert. The children have enjoyed getting to know her more and we are delighted to welcome her to St Alphege.

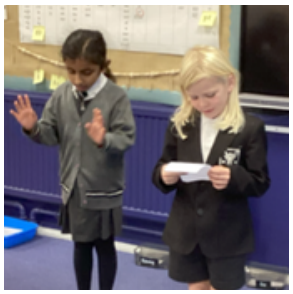

YEAR 2 WEEKLY NEWS

In PE, we have started our exciting new dance unit inspired by Penguin Small. The children have been exploring the character of Penguin Small and his emotional journey as he sets off on a quest to find his family and friends. We have been thinking carefully about how we can use facial expressions, body movements and gestures to bring our penguin characters to life and communicate different emotions through dance. The children have loved experimenting with different movements to tell his story!

In English, we have been exploring poetry, focusing on how poems can be brought to life through performance. We have been practising using actions, expression and prosody (changing the pace, volume and tone of our voices) to make our performances more engaging. We even challenged ourselves to memorise our poems and perform them without using any words at all! The children showed fantastic creativity and confidence, using their actions and expressions to help their audience understand the poems.

In Art, we have been introduced to the work of Wassily Kandinsky and explored his abstract artwork. The children spent time looking closely at his pieces, describing what they could see, sharing their responses and developing their own opinions about his use of colour, shape and pattern. It was wonderful to hear the different interpretations and ideas the children came up with!

Well done, Year 2, for such a positive and enthusiastic start to the half term!

It's been a super first week back!

JUNIOR SCHOOL

Welcome back! We hope everyone enjoyed a lovely half-term break and has returned feeling refreshed and ready for another exciting few weeks at the Junior School!
It has been wonderful to see the children settle straight back into school life, and we've certainly hit the ground running! This week, we have begun our preparations for Armistice Day, with each class creating a poppy wreath to remember and honour different groups of people whose lives have been affected by war and conflict, including soldiers, women, children, animals and many others. We look forward to bringing these together in our special Remembrance Worship next week.
Elsewhere, our Year 6 girls' football team played their first match, proudly representing St Alphege, while Amber Class have been busy beginning rehearsals for their upcoming production at the SMART Theatre.

What a lovely start to Autumn B! There is so much to look forward to over the coming weeks, and we can't wait to share it all with you.

YEAR 4 WEEKLY NEWS

Year 4 have had a fantastic first week back, diving straight into lots of exciting learning! In History, the children have been exploring the lives of the Anglo-Saxons, discovering what life was like in Britain all those years ago.
In English, they have been putting on their detective hats as Purple Pen Detectives, honing their editing skills and looking carefully at their writing to see how it can be improved.
Science has sparked plenty of curiosity too, with the children investigating which side of their mouth they naturally chew on and whether there might be a connection to the hand they use for writing. Some fascinating scientific enquiry!
Meanwhile, Emerald Class have made a splash with the start of their swimming lessons, which they absolutely loved! What a brilliant start to the half term, Year 4!

We have such a fun-filled term ahead!

SEND AT ST ALPHEGE

We are committed to supporting each child's learning journey, and this half-term, we willl be conducting our regular SEND reviews to ensure the support provided is tailored to meet your child's unique needs. Below is an outline of the SEND review process and important dates to keep in mind.

WEEK 1

Class teaches will carefully review your child's current support plan and make adjustments where needed. They will create new plans that best align with your child's progress and needs.

WEEKS 2 - 3

Class teaches will meet with our SENDCo to ensure all new plans are complete, comprehensive, and well-documented. This collaborative approach helps us provide the best possible support for each pupil.

WEEK 4

You will receive your child's reviewed plan and updated support plan, as well as a pre-review questionnaire. This questionnaire is an opportunity for you to share any insights, concerns, or updates regarding your child's progress and development.

WEEKS 5 - 7

SEND reviews will be scheduled with your child's class teacher. These meetings will allow us to discuss your child's progress and support in detail and collaborate on any necessary adjustments to their plan.

What if I have concerns about my child's development?

If you have any concerns about your child's development and they are not yet on a support plan, please don't hesitate to reach out to your child's class teacher. They can work with you and the SENDCo to assess if additional support may be beneficial.

SPIRITUALITY FOCUS:
ONE GIFT. ONE ACT OF LOVE.

This week, we are reflecting on Mr Carr's Challenge: "One Gift. One Act of Love."
Mr Carr has challenged us to choose one way to put love into action this week. Through Loving Community, we can include someone who feels left out; through Loving Learning, we can use our knowledge and skills to help someone else; and through Loving Service, we can offer our help without expecting anything in return.
We have been thinking about how even the smallest actions can make a big difference. A kind invitation, a helping hand or a thoughtful gesture can show someone that they are valued and cared for.
As we live out our Christian vision of Let your love show, we are reminded that love is more than something we say – it is something we do. Mr Carr's challenge encourages us all to choose one gift, put love into action and make a positive difference to someone else's day.

PARISH UPDATES

Join us for our next Messy Church on Friday 20 November at St Alphege Church. Please note the change of venue.

Our theme will be Teach: How We Treat Others and we will join together for jacket potatoes at the end.

Please book your place at childrensministry@solihullparish.org.uk

MAGIC MOMENTS

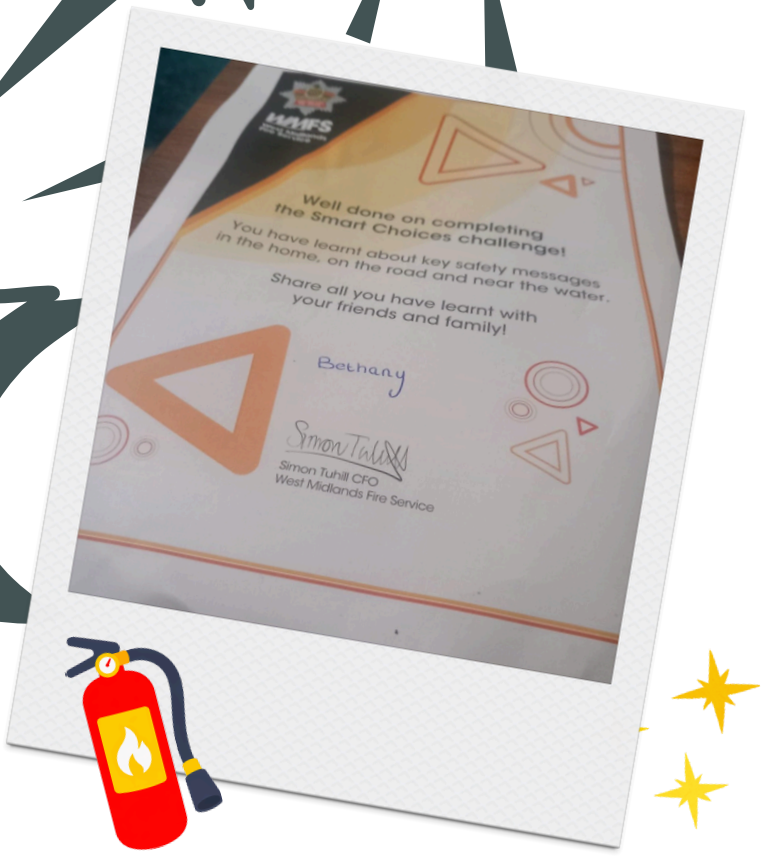

LOVING SERVICE

Olivia and Isabelle both volunteered some of their time over half term to sell poppies to raise money for the Royal British Legion.

Well done girls - what an amzing way to let your love show!

LOVING LEARNING

Bethany visited the fire station to learn all about fire safety, gaining some really important knowledge and life skills along the way. What a fantastic achievement, Bethany – well done!

We are so proud of the unique talents our children are blessed with!

SOLIHULL SCHOOL NURSING NEWSLETTER

Welcome

A big welcome to the autumn 2026 term! We hope you had a lovely summer and have settled into the back-to-school routine.

The school nursing service operates Monday to Friday, 9 am – 5 pm, excluding public and bank holidays. You can reach us using the contact details provided at the bottom of the page.

Here's a reminder of what the School Nursing team can support you with:

- Toileting
- Sleep
- Challenges with eating and diet
- Delivering the NCMP for Reception and Year 6 pupils
- Puberty
- Emotional/Mental health
- Managing behaviour
- Hygiene

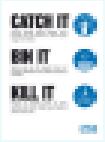

IT'S TIME TO CATCH IT, BIN IT, KILL IT!

As the weather becomes cooler, we can expect an increase in seasonal illnesses such as colds, flu, and other infections, including Norovirus. With this in mind, we'd like to remind everyone of the importance of practising good hand hygiene and following the "Catch it, Bin it, Kill it" guidance.

Remember to wash your hands thoroughly after blowing your nose, sneezing, or coughing to help prevent the spread of germs and protect those around you.

To refresh your knowledge of effective handwashing techniques, please watch the short video using the link below:

https://www.nhs.uk/live-well/best-way-to-wash-your-hands/

OUR NEW WEBSITE IS LIVE!

Our brand new 0-19 website is now live!

We're excited to launch our brand-new website, bringing together information, advice and support for children, young people, and families.

Immunisation

Ensuring your child is up to date with their vaccinations is one of the most effective ways to protect them against a range of serious illnesses. The Immunisation Team will shortly be contacting your child's school with details of their upcoming flu vaccination visit, during which the nasal spray vaccine will be offered.

In the meantime, you can check your child's vaccination status by following the link below:

https://www.nhs.uk/conditions/vaccinations/nhs-vaccinations-and-when-to-have-them/

Firework, Bonfire & Sparkler Safety

- Adults should always supervise fireworks and bonfire displays. Never leave children or young people unattended around fireworks or bonfires.
- Ensure children always remain at a safe distance from bonfires and firework displays.
- Never carry fireworks in your pockets or set them off in streets or on roads.
- Do not approach or attempt to relight a firework that has already been lit.
- Before leaving, make sure bonfires are completely extinguished and safe.
- Always wear gloves when handling sparklers, as they can become hot enough to cause serious burns.
- Avoid waving sparklers near other people, and once finished, place them in a bucket of water to cool safely.

There is a wealth of information available on staying safe around fireworks, sparklers, and bonfires. Please take a moment to review the helpful resources linked below.

Road safety

During the winter months, shorter days and reduced daylight can make it more difficult for drivers and other road users to see pedestrians. This is particularly important during busy school and nursery drop-off and pick-up times, when traffic levels are higher and visibility is often poorer.

To help keep your child safe, it is essential that they are clearly visible when walking near roads, especially in low-light conditions.

Wearing bright or fluorescent clothing during the day can significantly improve visibility. This could be as simple as a fluorescent strip on a coat, a high-visibility vest, or a bright patch attached to a school bag. These small measures can make a big difference in helping drivers spot children sooner and reducing the risk of accidents.

Extra Curricular Gymnastics Club

Stardust Dance Academy are pleased to be able to offer your child the chance to join our extra curricular Gymnastics class, which will be held in your school hall, after school, on Tuesdays

The classes are open to children in Reception and Years 1-2.

During gym club, you will learn how to warm up and stretch safely and learn different exercises including cartwheels, jumps and rolls. You can get tips on performing the perfect handstand and other beginner gymnastic moves; as well as learning gymnastic positions, stances and sequences. You can also learn some more advanced artistic gymnastic moves, which will improve your eye-hand-coordination, by using ribbons. Come along to learn how to put all your work together by learning short routines

The clubs are a great way for your child to get fit, learn technique and learn routines. The classes improve their strength and flexibility, in a fun and friendly environment.

Please send comfortable clothes, such as leggings / joggers and a t-shirt. Please send sticky socks if you have them. If not, gymnasts will have bare feet.

Understanding your child: from toddler to teenager

A Togetherness group for parents and carers

- Would you like to know more about your child's development?
- Do you understand your child's behaviour?
- Would you like a chance to meet with other parents with children of a similar age?
- Do you know why children have temper tantrums?

Groups are held for parents and carers in a variety of venues throughout [area], for age ranges from 6 months to 19+ years.

The groups are for parents and carers who want to know more about parenting and how children develop, and to understand children's behaviour better.

Our evaluation of previous groups has shown that parents have found this group helpful; they tend to feel less anxious, and their children's behaviour tends to improve.

The group will be run for two hours once a week for ten weeks.

We will explore issues such as:

- Having fun together
- Development needs
- Understanding behaviour
- Communication
- Parenting styles
- Sleep

Other information about the group:

Don't worry if you do not know anyone else coming to the group, as one of the course leaders will contact you before the group starts. We will tell you more about the course and ask you what you want to get out of it.

If you would like to attend this group, or for further details, contact:
